RE-ELECTION OF RETIRING DIRECTORS,
AND
NOTICE OF ANNUAL GENERAL MEETING**

1. INTRODUCTION

The purpose of this circular is to provide Shareholders with information in respect of the resolutions to be proposed at the AGM for the approval of (a) the granting to the Directors of the Issue Mandate; (b) the granting to the Directors of the Repurchase Mandate and (c) the re-election of the retiring Directors.

LETTER FROM THE BOARD

2. GENERAL MANDATES TO REPURCHASE AND ISSUE SHARES

At the annual general meeting of the Company held on 6 September 2019, approval was given by the Shareholders for granting of, inter alia, the general mandates to the Directors (a) to exercise the powers of the Company to allot, issue and otherwise deal with the Shares not exceeding 20% of the number of the issued shares of the Company; (b) to repurchase the Shares up to a maximum of 10% of the total number of issued shares of the Company; and (c) to extend the general mandate to issue Shares by the aggregate number of Shares purchased under the repurchase mandate mentioned in (b) above. In accordance with the terms of the approval, these general mandates will expire upon the conclusion of the forthcoming AGM. In order to give the Company the flexibility to issue and repurchase Shares for the interests of the Shareholders, ordinary resolutions are proposed at the AGM to grant to the Directors the Issue Mandate and the Repurchase Mandate. Subject to the approval by the Shareholders for granting the Issue Mandate and the Repurchase Mandate, an ordinary resolution to authorise the Directors to extend the power under the Issue Mandate to allot, issue and otherwise deal with Shares by adding to it the aggregate number of Shares repurchased by the Company under the Repurchase Mandate are also proposed for approval by the Shareholders at the AGM.

As at the Latest Practicable Date, there were 21,084,072,140 Shares in issue. Subject to the passing of the resolutions granting the proposed Issue Mandate and the Repurchase Mandate and on the basis that no further Shares are to be allotted and issued or repurchased by the Company from the Latest Practicable Date and up to the date of the AGM, the Company would be allowed to issue up to a maximum of 4,216,814,428 Shares (being 20% of the total number of Shares in issue) under the Issue Mandate and to repurchase up to a maximum of 2,108,407,214 Shares (being 10% of the total number of Shares in issue) under the Repurchase Mandate.

An explanatory statement containing information required by the Listing Rules to be sent to the Shareholders in connection with the proposed Repurchase Mandate is set out in Appendix I to this circular. This explanatory statement provides the Shareholders with information reasonably necessary to enable them to make an informed decision on whether to vote for or against the resolution in relation to the granting of the Repurchase Mandate.

LETTER FROM THE BOARD

6. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

7. RECOMMENDATION

The Directors consider that the proposed granting of the Issue Mandate, the Repurchase Mandate, the extension of the Issue Mandate and the re-election of the retiring Directors are each in the best interests of the Company and the Shareholders as a whole and accordingly, recommend all the Shareholders to vote in favour of all the resolutions as set out in the AGM Notice.

8. GENERAL

Your attention is also drawn to the additional information set out in the appendices of this circular. Unless otherwise stated, in case of any inconsistency between the English and the Chinese translation of this circular, the English version shall prevail.

Yours faithfully,
On behalf of the Board
Sin Lik Man
Chairman and Chief Executive Officer

This is an explanatory statement given to the Shareholders relating to the proposed ordinary resolution approving the Repurchase Mandate by the Shareholders at the AGM.

The explanatory statement contains a summary of the information required pursuant to Rule 10.06 of the Listing Rules.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 21,084,072,140 fully paid Shares. Subject to the passing of the ordinary resolution granting the Repurchase Mandate and on the basis that no further Shares are to be issued or repurchased by the Company from the Latest Practicable Date and up to the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 2,108,407,214 fully paid Shares, representing 10% of the total number of Shares in issue as at the date of the AGM.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

3. SOURCE OF FUNDS

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum of association of the Company, the Bye-laws and the applicable laws of Bermuda.

The laws of Bermuda provide that funds used for a share repurchase may only be paid out of the capital paid up on the relevant shares, or the funds of the Company which would otherwise be available for dividend or distribution, or the proceeds of a fresh issue of shares made for the purpose. The amount of premium, if any, payable on a repurchase may only be paid out of either the funds of the Company which would otherwise be available for dividend or distribution or out of the share premium account of the Company before the shares are repurchased.

There might be a material adverse impact on the working capital and/or gearing position of the Company (as compared with the position disclosed in the consolidated financial statements of the Company for the year ended 31 March 2020, being the date to which the latest published audited consolidated financial statements of the Company have been made up) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or its gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. SHARES PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date and the current month up to the Latest Practicable Date were as follows:

Month	Share Prices	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2019		
July	0.025	0.022
August	0.025	0.021
September	0.031	0.022
October	0.028	0.023
November	0.026	0.019
December	0.019	0.017
2020		
January	0.017	0.015
February	0.021	0.015
March	0.017	0.013
April	0.015	0.010
May	0.013	0.010
June	0.013	0.011
July (up to the Latest Practicable Date)	0.014	0.011

5. EFFECT OF THE TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could, depending on the level of increase of Shareholders' interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

The Directors are not aware of any consequences, which will arise under the Takeovers Code as a result of any repurchases to be made under the Repurchase Mandate.

6. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

To the best of the knowledge of the Directors, having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules), have any present intention to sell any Shares to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, no core connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have any intention presently to sell any Shares to the Company, or they have undertaken presently not to sell any Shares held by them to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

7. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases of the Shares pursuant to the Repurchase Mandate and in accordance with the Listing Rules and the applicable laws of Bermuda.

8. REPURCHASES OF SHARES MADE BY THE COMPANY

The Company has not repurchased any Shares whether on the Stock Exchange or otherwise, in the six months preceding the Latest Practicable Date.

9. GENERAL

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the Company's issued share capital would be in public hands. The Directors do not intend to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.
